SUPPLEMENTARY INFORMATION:

I. Abstract

The United States and twenty other countries have undertaken to increase the effectiveness of their respective controls over international trade in strategic commodities by means of an Import Certificate procedure. For the U.S. importer, this procedure provides that, where required by the exporting country with respect to a specific transaction, the importer certifies to the U.S. Government that he/she will import specific commodities into the United States and will not reexport such commodities except in accordance with the export control regulations of the United States. The U.S. Government, in

turn, certifies that such representations have been made.

II. Method of Collections

This information is provided in written form.
